# Romeoville Elementary School Students Learn About Good Oral Hygiene

ROMEOVILLE, IL – May 29, 2018

Recently, the team at Valley View Dental spoke with the students at Irene King Elementary School in Romeoville, IL about career responsibilities in dentistry and provided them with a review on good oral hygiene habits.

In addition, students were reminded that the dentist is your friend and not to be scared. “We have a lot of young patients that love coming to see us” said Mrs. Pavletic. The first and second grade students enjoyed watching the presentation with photos of Valley View Dental staff and patients along with a hand- on lesson about proper brushing and flossing.

“Keep your tooth brush angled to brush away food and debris and only use a pea sized amount of fluoride tooth paste.” “If you can’t brush after a meal, then remember to rinse with water” said Mrs. Pavletic

Maria Pavletic is a graduate of the American Academy of Art in Chicago, IL and has over 20 years in marketing. She follows Dr. Paul Singh’s, co-owner at Valley View Dental, approach about community involvement and puts time aside for Romeoville student events whenever she can.

Valley View Dental specializes in maintaining and creating healthy, beautiful smiles. Services offered include general, cosmetic and emergency dentistry. Other services include traditional orthodontics, Invisalign, teeth whitening, dental implants, dentures, crowns, preventative care, oral surgery and periodontal treatment. Valley View Dental's motto is ‘A Family Practice That Treats You Like Family.’ The office is open Monday through Saturday. Valley View Dental accepts all traditional and most PPO insurance plans and offers 0% financing options. For more information visit <http://www.vvdental.com/>
