Dhaval Shah, DDS Joins the Team at Valley View Dental -Romeoville, IL

ROMEOVILLE, IL (January 29, 2019) –Valley View Dental is proud to welcome Dhaval Shah, DDS, to the Valley View Dental staff in Romeoville, IL.

Dr. Dhaval Shah was born and raised in the western suburbs of Chicago. He graduated from the University of Illinois in Urbana-Champaign in 2004 with his Bachelor in Biochemistry and Economics. He completed his Doctor of Dental Surgery degree in 2008 from Tufts University in Boston. “I’ve always incorporated teaching patients about their dental health and procedures in my day-to-day interactions. Dentistry is more fun and beneficial when the patients know what’s going on behind the treatment so they fully understand WHY things happen. I continue to further my education every day and stay on top of the latest surgical treatments such as implants and wisdom teeth extractions. “I’m very laid-back and like to create a relaxing environment for everyone. I draw a lot of pictures and like to show all the x-rays and teach my findings rather than just report them. Dentistry becomes a lot easier for patients (and myself!) when the fear factor is gone”. -Dr. Shah.

In his spare time, he loves spending time with his wife and baby daughter. He is a huge Chicago Bulls and Bears fan and always loves making his patient’s smile with a good joke.

“Dr. Shah already has a great repport with our patients. We are thrilled to have him on board!” said Dr. Pradeep Khurana- Valley View Dental Co-owner and Managing Doctor.

The dental practice in Romeoville is the largest of Valley View Dental’s three locations and has onsite Oral Surgeons and a Periodontal Specialist.
