Romeoville Elementary School Students Learn About Good Oral Hygiene

ROMEOVILLE, IL – May 17th, 2019

Recently, Jennifer Silva, Valley View Dental-Romeoville dental assistant had the opportunity to speak with the students at Irene King Elementary School in Romeoville, IL about her career in the dental industry while providing them with a review on good oral hygiene habits.

In addition, students were reminded that the dentist is your friend and not to be scared. “We have a lot of young patients that love coming to see us” said Jennifer. The kindergarten grade students enjoyed

watching the presentation with photos of Valley View Dental staff and other young patients along with a hands- on lesson about proper brushing and flossing.

“Keep your tooth brush angled to brush away food and debris and only use a pea sized amount of fluoride tooth paste.” “If you can’t brush after a meal, then remember to rinse with water”. said Jennifer.

Dr. Paul Singh, co-owner at Valley View Dental (and Romeoville High School Graduate) is passionate about community involvement and encourages the Romeoville, IL dental team to get involved as much as possible. Next up... Romeofest 2019! Valley View Dental has been a loyal sponsor for years and will be attending again this August as a sponsor. Stop by their booth and say hello!
