Valley View Dental Celebrates 20 Years in Romeoville

ROMEOVILLE, IL (August 29, 2019)- Valley View Dental is proud to announce they will be holding a 20th Anniversary Celebration at the site of their first location in Romeoville, IL located at 441 North Weber Road. The event will take place on Friday, September 13th, from 2-5pm.

Over the past 20 years, this first facility has expanded multiple times, and most recently, in 2016, the space grew to over 8,000 sq. Ft. with 20 treatment operatories. Today, the dental office features a sizeable on-site lab, a hygiene wing, a custom sterilization center, two oral surgery suites, a children's and orthodontic side complete with a tooth brushing station and a state-of-the-art digital

3D X-ray unit. The office also offers a comfortable and relaxing environment with beautiful furnishings to make you feel at home. Additionally, there is a large refreshment area with coffee, tea, hot chocolate, and water for an even more enjoyable experience.

Co-owners, Drs. Paul Singh & Pradeep Khurana are planning on having a big party with food trucks, a popcorn cart, plenty of refreshments, balloons for the kids, a DJ, prize giveaways and hourly tours of the facility. The celebration will highlight with a visit by Romeoville Mayor, John Noak. Patients, neighboring businesses, family, and friends are all invited to attend.

“We know the importance of exceptional customer service and have been blessed with many happy patients over the last two decades. We appreciate everyone's continued support over the years and hope to get a good turn-out for our anniversary celebration!” says Dr. Pradeep Khurana, co-owner of Valley View Dental.
